## CUSTOMIZATION & QUALITY

Logo printing and branding, material selection, custom dimensions, colour combinations, and packaging. Design or sample approval for custom orders comes before production. Quality checks are carried out during production and before dispatch.

## HOW AN ORDER MOVES

Share requirements -> Discuss options -> Approve design / sample -> Production -> Delivery

## START A QUOTE

Send product category, approximate quantity, logo needs, material or size preferences, delivery location, and required date. Minimum quantities, pricing, and timelines are confirmed for the selected product and specification.
